A Caviston is a local family run Fish Shop, Delicatessen and Café set in the heart of the seaside town of Greystones in Co.Wicklow

We aim to provide the freshest fish, together with the tastiest food available with an emphasis on local food and value for money.

We are passionate about supporting the Irish Food Industry and source our ingredients as locally as possible; from our Greystones Lobster, to our meat which is supplied by Farrelly's Butchers in Delgany, to our vegetables which are supplied by Nicky's Farmshop in Kilcoole, in addition to our many Artisan Irish suppliers. We are proud members of Good Food Ireland

Our fish is sourced from various fishing ports and handpicked from the Dublin Fish Market ensuring that our fish is the freshest available.

All cooking is done in our shop kitchen in Greystones.

Please feel free to bring your own dishes and bowls for us to cook in to give that authentic "homecooked" feel

We hope that you enjoy our produce as much as we do!

See our website for weekly specials and upcoming events
